Overview of Release X

Summarize the requirements of the customer (about ½ to 1 page) in your own words here.
Content has to correspond to the signed agreement with the customer.

Dashboard

The following is a summary of the two sprints. Add a short introduction.

Sprint 1 (08.05.20XX – 21.05.20XX)

Explain the contents of the Burndown Chart. Especially if the chart does not look as expected, this must be justified here: Figure 1 shows...

Figure 1 Burndown Chart Sprint 1

Completed Stories

List all “Completed Stories” include their tasks here. Write a table for each story with all completed tasks.

| Taskname | Description | Estimated | Spent | Finished | Developer |
|----------|--|-----------|-------|------------|------------|
| Task 42 | Sort the order list of incoming tasks with the bubble sort algorithm | 5 h | 4h | 10.05.20XX | Karlie Doe |

Table 1 List of Finish Tasks

Stories Not Completed

List all “Not Completed Stories” include their moved tasks here. Write a table for each story and write a short justification for each moved task.

| Taskname | Description | Estimated | Spent | Remaining | Developer |
|----------|--|-----------|-------|-----------|------------|
| Task 23 | Display all Stories and tasks in the Dashboard | 8 h | 1w | 1d | Karlie Doe |

Table 2 List of Moved Tasks

Sprint 2 (22.05.20XX – 04.06.20XX)

Explain the contents of the Burndown Chart. Especially if the chart does not look as expected, this must be justified here: Figure 2 shows...

Figure 2 Burndown Chart Sprint 2

Completed Stories

List all “Completed Stories” include their tasks here. Write a table for each story with all completed tasks.

| Taskname | Description | Estimated | Spent | Finished | Developer |
|----------|--|-----------|-------|------------|------------|
| Task 42 | Sort the order list of incoming tasks with the bubble sort algorithm | 5 h | 4h | 10.05.20XX | Karlie Doe |

Table 3 List of Finish Tasks

Stories Not Completed

List all “Not Completed Stories” include their moved tasks here. Write a table for each story and write a short justification for each moved task.

| Taskname | Description | Estimated | Spent | Remaining | Developer |
|----------|--|-----------|-------|-----------|------------|
| Task 23 | Display all Stories and tasks in the Dashboard | 8 h | 1w | 1d | Karlie Doe |

Table 4 List of Moved Tasks

Work Done

Brief explanation and introduction for this section (at least three sentences).

Epic: E1
